

EXTRA! EXTRA!

SIGN ALL ABOUT IT

Hello parents! ASL Discoveries proudly presents our Color Theme, featuring everyone's favorite RAINBOW song!

This theme also expands your child's knowledge on colors that are not in the rainbow, and opens discussion on familiar items that are specific colors. Colors are everywhere! In addition to our songs, our ASL leaders like to teach Colors with lots of games!

Our "Rainbow" song is included on our CD's!
Purchase online at ASLdiscoveries.com

T-shirts are also available for purchase!
